

**Gondrand Switzerland.
Global, personal, pioneering.**

150 YEARS
1866 - 2016
Gondrand-Group

Personally worldwide.

**Many routes lead to your destination.
Ours is the most straight forward.**

Gondrand Switzerland was founded in 1902 and its international development is founded on the Swiss firm's successes. Gondrand Switzerland offers a comprehensive portfolio of global transport and logistics services. By analysing your individual transport and logistics requirements we can offer you a solution that is tailored to your company's needs. This is what sets us apart from other transport companies. Regardless of what your requirements may be, in Gondrand you have a partner that puts your needs first and is able to offer you customized logistics solutions.

Facts and figures Gondrand worldwide.

- ▶ **Locations** Over 55 worldwide
- ▶ **History** Founded in 1866 in Milan. ATEGE Allgemeine Transportgesellschaft vorm. Gondrand & Mangili mbH was founded in 1872 with subsequent establishment of a pan-European network with various national companies. At the start of the 1990s, offices were opened in the Czech Republic and Hungary. The company has also been represented in Asia since 2001 by Go-Trans. The right transport and logistics solution for you.

The path to personalised transport and logistics solutions begins with the crucial first step – a one-to-one discussion. This allows us to get a clear picture of your expectations, and you can be sure that your needs will be taken fully into account. We would be delighted to show you what we can do for you.

Block storage of some 12,600 square metres (Block storage 9,300 square metres, handling area 3,300 square metres) is available to our customers in Switzerland.

Gondrand Switzerland

There for you, wherever you are.

Road freight

With a high-frequency, comprehensive network of routes, we can transport your goods by road and rail to all corners of Europe. No matter when or where, we deliver your goods to the right place at the right time.

Air freight

We will transport for you any type of goods, either as single or composite shipments, via all major airports to any continent. Or maybe your goods need to literally go to the ends of the earth? No problem. We'll send it via chartered flight to any terminal you wish.

Sea freight

Our sea freight specialists coordinate every stage of the transport chain, moving your goods via ports efficiently from door to door. Worldwide. And if needed, they'll also take care of the documentation. So that you can focus on your core business.

Logistics

When it comes to drawing up logistics solutions, we put the focus on what's important: you and your needs. We are there for you in every aspect of logistics. From warehousing to supply chain management. On a personal basis and everything customised to your needs.

State-of-the-art warehouse logistics and an excellent infrastructure across Switzerland and the world.

Highly-skilled staff. In over 10 offices and in all regions across Switzerland.

Project Forwarding

Our project expertise makes things extremely easy: we can take over just one aspect of a project or the entire project handling. Integrated solutions are just as possible as turnkey handovers – such as for the transportation of entire production plants.

International removals

No matter where life takes you, Gondrand will be there to provide advice and assistance. We take care of private removals and business relocations: your personal household contents or company inventory will be transported in a professional manner.

Customs

Our customs teams, with their many years' experience, are among the most professional in their industry. Their work in our customs terminals at important border crossing points ensures that your goods get back on the move faster.

**There when you need us.
Wherever you need us.**
