Gondrand-Group

Personally worldwide.

By Air. By Sea. By Land.

As a worldwide leading forward and logistics provider, we ensure added value for our customers. We offer a comprehensive range of first class transport and logistics services including air freight solutions. Your individual air freight solution is determined by a few established principles: We take time to offer you personal advice, adapt to your specific requirements and provide a solution which not only largely fulfils your needs but does so right down to the smallest detail.

**Air freight
Switzerland**

The perfect air freight solution for you.

Gondrand maintains its own air freight offices at Europe's most important hubs: Frankfurt, Amsterdam, Munich and Zurich. We operate a worldwide, intercontinental partner network at all the important airports with particularly strong representation in the Near and Middle East, North America and – also with our own air freight offices – Asia.

The use of state-of-the-art technology enables not only electronic clearance processing and freight paper handling but also eases our customer's administrative workload. Our air freight experts are continuously striving for partnerships with leading airline companies which enable us to offer our worldwide air freight services in the transport type which is most suited for you. Gondrand ensures that all freight is delivered to its exact destination on time.
